

GUIDER MEETING cont'd from page 19....  
attended a Patrol Leader Training Session in November in Manitouwadge.

It was noted that a Photo Competition for Girl Guides in the Division is to be held with the Guide Photo Badge as a guideline to subjects chosen. Many of the girls are interested in this project.

A new and very active Guider, Barbara Wise received her one year star from Madame Commissioner.

There is to be a Patrol Leader Training for Blue Guiders in Sault Ste. Marie - Jan. 16 & 17 and a training for everyone - Feb. 13 & 15.

Congratulations were received from Division that Terrace Bay was the first to have their census money in (\$3.00 for each girl). So thanks to all the mothers for their speedy payment.

Edna Ramsey will be the Blue Badge Secretary.
