Hitting the silk isn't exactly a soft touch.

As a member of Canada's Airborne Regiment, you're no soft touch either.

You'll think nothing of jumping fully equipped from an aircraft at 1200 feet. Landing and moving right into action anywhere, anytime of the year. In the desert or the arctic.

It's a tough, challenging, satisfying life for the right man. A life that can bring out the best in you as a leader, physically and mentally trained to perfection.

Think you can handle this job? The rewards are many and it's something you can really be proud of. Ask how you can join the Airborne.
