An invitation was extended from the Right to Life Association of Thunder Bay and Area for ladies to attend a Respect for Human Life Seminar, on February 28th, Shuniah Building, Ryan Hall, Thunder Bay. Guest Speakers will be Gwen Landolt, and Dr. L.L. de Veber. Gwen Landolt is the founder and first president, of the Right to Life Association of Toronto and Area. Dr. L.L. de Veber, past president of Alliance for Life, is a London pediatrician who has treated the unborn baby as a patient in giving prenatal transfusions because of the RH factor. Dr. de Veber believes that what is now happening to newborn defective babies is an extension of abortion-on-demand, and may very well extend to the handicapped and the aged in the future.
