

RECREATION DEPARTMENT REPORT Cont'd

It should be pointed out that the restricted use of the tractor and the opening of the entrance doors has reduced the fume problem significantly; however, we hope that the problem will be totally solved with the installation of a ventilation system.

NORTH SHORE HOCKEY:

This coming Thursday, February 26th, the Marathon Midgets will be in town to provide opposition for the Terrace Bay Midgets. Game time will be at 7:30 p.m.

This coming Sunday, February 29th, the Marathon Major Pee-wees and Bantams will be in town to play against the Terrace Bay Major Pee-wees and Bantams. Games will start at 1:00 p.m.

UPHOLSTERY:

Please refer to this Pg. for details concerning an Upholstery Workshop which will be held in Terrace Bay in March. It is important to point out that anyone who has called the Recreation Office to indicate interest in the course HAS NOT REGISTERED FOR THE COURSE. In order to register for the course, you must drop down to the Recreation Office to fill out your form and make payment.

BROOMBALL PROGRAMME VERY SUCCESSFUL:

A complete Broomball league has now been formed with five teams competing. They are as follows: MECO, Kimberly Clark engineers, Sanross, Peterson Electric and Frankel-Marshall. Starting this week, 3 games will be held weekly

with open Broomball on Friday evening. Why not drop down to the arena during the games to watch Terrace Bay's finest players in action.
