

TERRACE BAY POLICE DEPARTMENT REPORT

For the two week period ending February 23 thirty five occurrences were investigated.

Five incidents of willful damage are at present under investigation. Most of these occurred at the Recreation Centre and were of a minor nature.

Theft of a battery from a parked motor vehicle was reported.

During the week a local resident was charged with impaired driving.

On February 17, Joe St. Pierre was sentenced to one month in prison for defrauding the Terrace Bay Enterprises of \$8.00 worth of gas.

Three minor accidents were reported.

Six charges were laid against snow mobile operators for driving without licenses and insurance. Two charges were laid under the Municipal parking law. Seven motor vehicles were safety checked with five warnings being issued.

Solar System

Planets in the solar system follow elliptical orbits around the sun, with those of Neptune and Pluto overlapping. Each planet travels faster when close to the sun. That's why the length of days on earth vary slightly during the year.
