WINTER CARNIVAL

INFORMATION LETTER

Watch for this display by Schreiber-Terrace Bay during the Winter Carnival.

We plan to set up a survival lean to, tent or tee pee. We will run a draw with a survival kit as the prize for viewing our display. Contents of this kit will be exhibited.

The public is invited to come and enjoy coffee and donuts with us.

We are hoping to expand on the number of displays. All members are urged to volunteer their ideas for displays.

Let's all get together and make this a worthwhile endeavour.
