

## GUIDE AND BROWNIE NEWS: Cont'd

Pam Jones, Song and Dance person for Guide and Brownie groups in Terrace Bay recently visited both packs to teach a dance and action song. The Brownies love visitors and were very enthusiastic with the songs and dance. They soon learned the stomping, clapping type dances that are geared to their age group.

The Senior Guides are lucky to have two ladies in Terrace Bay interested in teaching crafts. Mrs. Linda Jerrett will be meeting with them on Tuesday evening at the Jones residence to do a craft picture. Mrs. Isabel Delaronde will hold a short crocheting session at the Community Church on Wednesday evening.

A few enquiries have been made by the new families who have recently arrived in Terrace Bay in regards to their girls joining Brownies and Guides. Brown Owl, Marilyn Saranpaa, Pack 1, has agreed to accept more girls now that she has more adult help. The age for Brownies is seven to ten years. The girls must be seven before December 31, 1975. The age for Guides is ten to fourteen years and they must be ten before December 31, 1975. Please contact Mrs. Saranpaa at 3645 for any enquiries.

The Pack 2 Brownies, with leader, Barb Wise are working as a group on a "Friend to

Birds" badge. The girls have to make a feeder and are to observe five birds around Terrace Bay for two or three months, then they will be tested.
