

CHESTER BAILLIE RETIRES FROM CP RAIL

Chester MacMillan Baillie, after a career with CP Rail for over 47 years worked his last day on March 4, 1976. He officially retires effective May 1, 1976.

Chester, who began his services in the employ of the Dominion Atlantic Railway as a Clerk-Steno in 1928 travelled extensively from St. Johns, Nfld. to Winnipeg and handled many positions in St. Johns, West St. John and Chapleau. On November 16, 1953 he transferred to Schreiber as Superintendent's Secretary and was later promoted to Assistant Office Manager, the position from which he retired. Mr. Baillie and his wife Stella plan to stay in Schreiber as they have their home here and a beautiful camp at Cavers and have no wish to leave their many friends.

On his last day at work Chester and his wife were hosted at a buffet luncheon in the

Superintendent's private rail car with his co-workers in attendance. At this time Mrs. Baillie was presented with a bouquet of roses by Superintendent A.A. Small. Later in the day, a presentation was made to Mr. Baillie by Superintendent Small on behalf of his friends from CP Rail, of a portable radio and a road map covered in money as the Baillie's plan on doing a little travelling. A number of telegrams were also read from his numerous friends wishing him a long and happy retirement.
