

ATOM'S ATTEND ELK TOURNAMENT: Cont'd
The boys regained their composure somewhat on Saturday but in a 4 - 3 losing cause to the Atikokan Tom Thumbs.

The Terrace Bay Atom's (eight and nine year olds) are attending a tournament in Marathon next weekend.

BROWNIES SEND PENNIES TO OXFAM

The Terrace Bay Brownies sent Christmas pennies to Oxfam and received a news letter in reply explaining what was done with money. The following is part of the letter they received:

OXFAM AT WORK IN GUATEMALA: The three agencies with representatives in San Martin right after the quake (oxfam, Caritas and Care) formed an emergency food committee in the town. The Oxfam-Vecinos Mundiales Team organized volunteer groups to clear the roads into town of landslides.

Over these partially opened roads the emergency food committee brought in over fifty tons of foodstuffs in the first ten days. Where the trucks could not get through, volunteers lugged the heavy sacks on their backs. In the first two weeks after the earthquake the agencies made three free distributions of

food in the town, and two in each of the surrounding areas. Because the Oxfam-Vecino Mundiales project had been working in the area for three and one-half years, its organization and network of sixty volunteers provided the contacts in each area for efficient distribution of these supplies.

In San Martin and some other badly hit areas Oxfam is trying to manipulate the market price of basic foods, tools and, in the future building materials. At the same time we are trying to build up local self-help funds to aid in the arduous work of reconstruction.

HELP WANTED

FILANE'S RESTAURANT
COOKS AND WAITRESSES

Apply in writing to :

Box 65,
Schreiber, Ontario or phone Joe at 824-2172.

WANTED ROOM & BOARD

Room and Board for single female. Hospital employee. For further information please call the Hospital Administration Office at 825-3695.

THE LAKE SUPERIOR BOARD OF EDUCATION
