your week ahead

Forecast Period May 9 - May 15

Some Arians will attempt to pick up the pieces from a broken romance...and start over again. Remember, things are never the same—they'll get better or worse!

There's a special name for someone who welcome problems. The name or term, however, doesn't fit you. You'll accept a new hardship as a sort of challenge.

It's that time when an apology is in order. According to your chart, there's more than one person who should be shown that you can recognize your own mistakes.

Usually, people refuse to be manipulated into someone else's scheme. You, however, will put all the bits and pieces together—to achieve your own ends.

You might be thinking about making a major purchase. Keep in mind, it's not a good idea to trade off tomorrow for today!

It seems as though you'll be putting both feet into a new job, task or project. In other words, you're prone toward being dedicated to an unusual venture.

Becoming involved in situations that might be shady, is indicated. Stay in bounds while attending social functions. Your relationship with the opposite sex takes a strange twist.

Bluntly, this week might find you taking every wrong direction. It's not a good time to make a major decision—about a member of the other sex.

The moment someone mentions a good deal—beware! Your chart warns against becoming involved in a "get rich scheme." Really it's not the time to start a project.

Shore up your mood; social activities are favorable. What is more, things that happen during this cosmic cycle—will trigger a lasting influence throughout the next several weeks.

Challenging words...laced with sarcasm, shows in your chart. Looking for trouble? This week, rest assured, it's easy to find an associate who will give you more (trouble) than you'll want!

Ego and self-esteem plays an important role, now. Most members of your sign are determined to have their own way. So, you'll be overpowering your associates.

NORTH OF SUPERIOR BOARD MEETING

The North of Superior District R.C.S.S. Board held its Fourth Regular Meeting at St. Edward's School in Nipigon on April 24, 1976. Teachers from both St. Edward's and St. Hilary's Schools were in attendance as were some of the local school supporters. Teachers and trustees exchanged views over lunch.

In formal session, the Board considered the question of relocation of the Board offices which are currently at Lakehead University in Thunder Bay. After some discussion, the following motions were passed:

- That the North of Superior District R.C.S.S. Board locate its administrative offices in the Schreiber-Terrace Bay area.

- That January 31, 1977 be set as a target date for relocation, with provision for an extension of this date to August 31, 1977 if necessary.

Relocation will require the Director of Education, Mr. P. Gillen, the Superintendent of Business, Mr. J. Courtney, and Mr. R. Jones, Accountant, to move their families into the area. Secretarial staff for the office will be hired locally.

It is anticipated that the move will reduce administrative costs in such areas as transportation, telephone, office accommodation, etc. It is also anticipated that offices within the jurisdiction will provide a more efficient service for the schools.

In other business, the Board:

- 1) Approved policies regarding the early dismissal of schools and the custodial requirements of schools.
- 2) Established a resource position in the area of psychological services.
- 3) Approved the acceptance of Frank Cowan Insurance Company's insurance proposal for the school buildings.
- 4) Accepted with regret the resignation of the following teachers: Sister Gaye White, Principal of St. Hilary's School, Red Rock; Miss Jeannine Pineau, St. Hilary's School, Red Rock; Mr. Jocelyne Matharu, ½ time St. Edward's & ½ time St. Hilary's; Mrs. Irene Saumur, Our Lady of Lourdes School, Manitouwadge.
- 5) Appointed Mr. R. Chahley, Red Rock, to replace Mr. R. O'Connor as the separate school representative on the Nipigon-Red Rock Board of Education.

The next meeting of the Board will be held Saturday, May 29, 1976 at Our Lady of Lourdes School in Manitouwadge.

The public is invited to attend.
