## You don't know how tough you are until you try.

From the very beginning, the Canadian Armed Forces lets you try. Shows you how to build yourself up physically and mentally. How to develop your potential as a leader.

A job with a Combat Group is no pushover. But then you're no pushover when you join Combat Arms. You're trained to be ready to handle any situation.

You're someone special.

Come on. Are you tough enough to join a Combat Group? It's something special you can be proud of.

**GET INVOLVED WITH THE CANADIAN ARMED FORCES.**
