NOTICE CLEANUP

The Council of Terrace Bay request your support in maintaining our record as one of the cleanest towns in Canada. PLEASE gather up your debris (If you haven't used it in one year, you likely won't use it), pile it in front of your home (or give it to a garage sale), but please move it. Old equipment (whatever) is of no use to you and certainly an eyesore. With a lot of building in the area we appreciate the problem of conforming 100%. To those of you who are involved, the best of luck, respect your own image, plus the overall appearance of the Town.
