**LINES AND WRINKLES**

By MARY KAI LUA

Cosmetic science has extracted a skin beauty substance from the bean of a tropical plant that works wonders by making rough, lined face and dry chapped hands look years younger fast. Use it tonight and you should see vast improvement in the morning. Many small lines around the eyes and mouth may already have disappeared and wrinkles you have given up as hopeless should start to vanish in a few days. But that isn't all. That discouraging weather-darken-

ed old-age skin tone fades away. Pores are so lubricated many blackheads slip out without squeezing. Ordinary blemishes become less noticeable. But don't take my word for it ... use this exciting substance yourself for 7 days ... satisfaction is guaranteed or return for refund. It's the tropical nut extract that works wonders for wrinkles, lines and weathered blemishes.

Now available at Waghorn's Pharmacy. It's called Cocrema Dry Skin Creme.
