

CARD OF THANKS - The family of the late Jessie Macadam of Schreiber, Ontario, wishes to express its heartfelt thanks and deep appreciation to the neighbours, friends and relatives of Schreiber and Terrace Bay for their thoughtfulness and generosity during the loss of a dear Mother. It is difficult, if not impossible, to adequately convey the warmth felt and compassion received from so many. But grateful thanks to the Nurses and Staff and Mrs. Flarity of Pinewood Court, the Nurses and staff and Mrs. Kirkpatrick of Birchwood Terrace. Special thanks to Mr. Vibert, Pinewood Court for his administrative ability, a friend to Mother, and years of personal reassurance to the family; To Drs. McCausland and Kane for their tireless professional medical assistance and personal attendance to Mother. To the Officers and members of Ruby Rebekah Lodge, the Ladies Auxiliary, Royal Canadian Legion and the Order of Eastern Star for their inspirational services. To Rev. Brian Bigelow for the dignity derived from a beautiful and simple service. And to friends, for their visits, food, those who loaned and drove cars, the flowers, cards, donations to McCausland Hospital and Ontario Heart Foundation, our soloist, Eva Gordon, the pallbearers - both active and honorary; King Funeral Home; the ladies who served and helped in every way. Your compassionate gestures and unselfish kindnesses will always be remembered. Added to this must be made mention of our extreme fortune in having a sister-in-law and wife like our dear Beth.

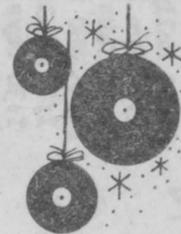

Gratefully,
Gordon, Russell, Joyce & Joan.
