

**BIBLE SOCIETY: Cont'd**

To date the whole Bible has been published in 261 languages, The New Testament 635 languages, and one or more books of the Bible in 1577 languages.

At present between 500 and 600 Projects of translation or revision are underway in the world, 358 of which are in languages that have never had any Scripture at all as yet.

The Canadian Bible Society is at present the 4th largest contributing Bible Society. Only 16 of the 57 national societies are contributors, the others from the economically depressed areas of the world need help to meet their national projects. Some one million dollars is given by the Canadian Bible Society over and above our National Program to help the others meet their needs.

Here in Canada we provide the Scriptures free of charge to the registered Blind in Braille, Record, or Cassette Tape. A Braille Bible costs over \$100.

to produce and a little less than \$50.00 on record, and between \$50.00 and \$100.00 on tape.

We provide the Scripture free of charge to the armed services for prison use as well as to many new Canadian citizens. We provide short, attractively designed Scripture selections free of charge for responsible free distribution. Samples of these are gladly provided to anyone who writes to our Northern Ontario District Office, 847 Main St. W., North Bay, Ont. P1B 2V8.

For the Churches use we provide the Scriptures as economically as possible for use on the Parish level.

We ask for the prayer and financial help of thousands of Canadians to make all of this possible. All gifts are acknowledged with a receipt.
