before you  
build

14 ft. x 22 ft.

**Economy Garage Package**

We have garage packages available from 14' x 22' singles to 24' x 24' double car garages. As well as being practical, a garage is a great way to increase your property value.

**799.00**

**Free Delivery**

Beaver trucks will deliver to your building site on the date of your choice prior to May 22.

**Beaver would be pleased to give you a free estimate on any additional building materials you may need to complete your project.**
