Now that the bay and lakes are cleared of ice, sportsmen turn to angling. So far this spring fishing has been good and getting better.

Many local sportsmen, young and old, have been successful catching some fine lake trout and coaster's off the docks. In fact the luck was started New Year's day when Hilton Mushquash caught a four pounder coaster off the Government dock. Young Joey Kenney of Terrace Bay caught a five pound lake trout and some small coasters while fishing with his grandfather, R.T. Kenney. Grandfather wasn't so lucky as he caught, or hooked a fine specimen of a trout that appeared to be about eight or ten pounds but lost it when he and his grandson attempted to land it.

Stocking the lake with trout fingerlings from Dorion Hatchery has been going on the past week by Wm. Schelling with his tug, the Claralee. These will grow into some two to six pounds of fighting, rod bending fury and supply some pleasant sport. Many tourists are in the area already and enjoying fishing and camping.
