1ST TERRACE BAY PACK WINS TROPHY

Fifteen cubs, two leaders (Paulette Gordon, Akela and Wanda Aulenback, Raksha), one assistant leader (Lee Westlake) and two cooks (Connie Bryson and Gerbachen Sidhu) left Terrace Bay on June 11, 1976 to attend the Fort William District Cuboree at Grey Wolf Camp. For three days Terrace Bay Cubs and Leaders participated in many events and activities.

Camp was officially opened by Dennis MacQuire at 7:45 p.m., June 11, 1976. This years cuboree theme was "Friendship". After the opening we all took part in an orientation ramble of the area, practised "Happy Face", had mug-up (hot chocolate) and lights out for the boys. Leaders then attended their meeting.

Saturday morning brought sunshine and 169 boys out of their sleeping bags to a full days activity.

After flag break and camp inspection everyone assembled in the field to form a Happy Face for aerial photography.

Cubs and Leaders then hiked three miles up to Moon Lake, lunched and hiked back down. This took a total of two hours and twenty minutes. Upon arrival back at camp, with boys in mixed groups we had tug-o-war competition. Joseph Kenney from Terrace Bay was on the winning team. Next came the obstacle course. Boys and Leaders were very enthusiastic about this event. Everyone enjoyed this event, including Akela, even though both her legs were almost broken when she thought she could do as well as an eight year old. As cubs returned to camp everyone signed the cuboree tree.

Supper and practise for campfire skit gave everyone a chance to relax and catch their breath, especially Leaders. Next came the "wide game" for cubs.
