LAKE SUPERIOR BOARD MEETING: Cont'd from pg.1
 The following transfers were approved, effective September 1, 1976: Mr. George Bott from Marathon Public School to Marathon High School as teacher of Geography and Typing, Mr. Leslie Peter from Manitowadge Public School to Manitowadge High School as teacher of Geography and Junior Science.

A Plan for the Development of Programs for the System, as presented by the Director, was accepted. At the moment, eight Committees of teachers are writing Curricula for the students of this system and it is hoped that in the next year or so these will be completed and ready for use in the classrooms.

M. Averill, Special Education Consultant, presented a Group Testing Program which will be used in all of the schools in 1976-77.

The arrangements for a Junior Kindergarten in Marathon were approved. The projected enrollment for September is 38 students. These students will be divided into two classes: one will be taught in the a.m. and one in the p.m., and both will be accommodated in the high school. A well qualified Junior Kindergarten teacher has also been hired.

It was decided that an Architect should be hired to develop detailed plans for the Industrial Arts Addition to the Manitowadge High School. The firm of Graham, Bacon and Welter will now oversee the building of this new shop.

The Business Administrator confirmed that the property on which the old Alexander Campus once sat has now been sold to the Township of Marathon.

If there is sufficient interest, a Music Credit Course will be offered over the winter months for the benefit of both teachers and the public.

The Board was informed that 38 teachers are taking Summer and Winter Courses in order to upgrade and improve their teaching qualifications. Nineteen Workshops were run inside this system over the past six months, for the Professional Development of staff.

Trustee L. Gelding (nee Stewart) reported that she and her husband are going to Australia in September and, therefore, she will resign her position on the Board effective August 31st.

The Board agreed to appoint Principals' Designates in the following schools in 1976-77; Manitowadge High School, Lake Superior High School and Lake Superior Public School.

An Ad hoc Committee was established, under the Chairmanship of Trustee J. Nugent to examine the procedures under which the Standing Committees operate and define the roles and responsibilities of each Committee.
