## NO FUNDS FOR DOCTORS' OFFICES

A letter to Jack Stokes

Dear Jack

"I am pleased to learn from your letter of June 15th, 1976, that the representatives of McCausland Hospital, Thunder Bay, were encouraged as a result of discussions with Ministry staff, on the subject of the 1975/76 budget and the proposed new facility.

Following the May 28th meeting, Mr. W. Bain, Director, Institutional Planning Branch, wrote on June 17th to the Administrator of the Hospital on the matter of the doctors' offices planned for the new hospital and I enclose a copy of his letter for your information.

As you are aware, Jack, the Ministry of Health does not provide capital dollars for doctors' offices or medical clinics and, I understand, it is this kind of accommodation which is being planned within the new facility.

Mr. Bain advises that the normal procedure in these circumstances would be for the Hospital (or the community) to assume responsibility for the full capital costs of the doctors' offices and to recover this expenditure through rentals charged to the physicians occupying the space.

I understand the Ministry recently received some early plans for the new facility and these are being reviewed at present. It is possible we may be able to suggest certain modifications which could have the effect of reducing the total cost of the project and this, of course, would decrease the hospital's portion of the capital funds.

We shall be in touch with the Hospital again as soon as a review of the material has been completed and I shall be pleased to keep
