RECREATION DEPARTMENT
WEEKLY REPORT

PLAYGROUND 1976:

We have been kept very busy in the past few weeks of the Playground program. On Friday, July 23rd, the 7 to 12 year olds enjoyed a swim party at Whitesand Lake. For once the weather was on our side and everyone had a fun afternoon. Special thanks to Judy Zwaresh and Maureen Pytyck for lifeguarding.

On Friday, July 30th, the 4 to 6 year olds tried their luck at treasure hunting. All dressed up in pirate hats and eye patches. They hunted for Blackbeard's buried treasure. After a successful hunt, we roasted marshmallows which tasted good - even at 10:00 in the morning. Thanks to all those who provided transportation.

Also on Friday a sleep-over was held for the 7 to 12 year old girls at the Public School gymnasium. The night was a success and to the leaders' surprise, bedtime was not as late as expected. The next morning we all went for breakfast.

We would like to see more people come out and make use of our playground and participate in the activities. The playground is centered at the Public School gym and our schedule is as follows: Cont'd pg. 4.....
