

STRIKE THREE: YOU'RE SAFE: Cont'd from pg. 6
loser coach had brought in four ringers from
Thunder Bay to ensure an easy championship.

At high noon, the ump, who thought that
people had come to watch him instead of the
girls, called "batter up". The ringer pit-
cher from Thunder Bay made a quick mess of
our first four batters but jaws dropped when
chucker Cathy Cook did a repeat number on
the first five Geraldton batters. Over the
next few innings, Schreiber executed some
neat double plays and started hitting the
ringer pitcher from Thunder Bay. The hi-lite
of the game was when the smallest member of
the Schreiber crew, Judy Davis, stepped in
to replace an effective but tiring Cathy Cook.
Heckles like, "Who let the little kid on the
field" soon turned sour when Judy struck out
two of the four Geraldton batters. The final
score, Geraldton 12, Schreiber 10. For a
team of four Thunder Bay ringers they didn't
do a very good job of cleaning us off the
field and for a team whose first game of the
tournament was their first game ever, Schrei-
ber put in a good performance.

Then it was back to Schreiber headquarters
for celebrations and liquid refreshments.
Schreiber became the toast of the town.

Even though it was a hot weekend and minds
fried, the Schreiber girls remained cool and
handily beat their opponents from Longlac
and Terrace Bay. The end result: Schreiber
won the consolation while the ringers natur-
ally took the championship.

The ringers from Thunder Bay as it turned
out weren't quite prepared for all the bad
feelings waiting for them in Geraldton. They
ended up being the scape goats for the coach
who couldn't stand losing. Even though the
ringers and Schreiber were deadly enemies on
the field, the Schreiber crew insisted on
meeting the Thunder Bay girls and all soon
became best of friends.

Looking back, Schreiber was the best team
on and off the field. A good but rare quali-
ty.

Representing the Schreiber squad were:
Holly Smith, 3rd base; Cathy Cook, Pitcher,
1st base; Judy Davis, Pitcher, 1st base;
Colleen McDonald, short stop and the double
play maker; Linda Fraser, left field; Donna
McGrath, second base; Patricia McGrath, 1st
base; Rae Sisson, centre field (sub); Jocelyn
Guillet, right field; Cindy Mackay, back
catcher.

If the Schreiber girls can come up with a
good team in two weeks just think if they had
the support of the local ladies and were or-
ganized. Think about it!

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

Kenny is 10, a handsome Cree Indian with dark eyes, black
hair, olive skin and that engaging smile you see.

Healthy and active, Kenny enjoys sports, especially hockey.
He did well last year in grade four except that he tends to day
dream and therefore needs prodding to complete assignments.
In his foster home he often needs reminding to finish chores,
though he is willing and anxious to please.

Pleasant, amiable Kenny is a sixer in Cubs and enthusiastic
about the program. He is a doer rather than a talker. He's
friendly and gets on well with people but doesn't like to talk
about his feelings. He needs parents who are sensitive to un-
spoken worries and who have a sixth sense about what is
bothering him.

Kenny could fit into a family with brothers or sisters,
preferably not close in age. He will be a fine son for parents who
want to share their time as well as their home with him.

To inquire about adopting Kenny, please write to Today's
Child, Ministry of Community and Social Services, Box 888,
Station K, Toronto M4P 2H2. In your letter tell something of your
present family and your way of life.

For general adoption information contact your local
Children's Aid Society.
