The staff who found Wendy a pleasant and co-operative co-worker presented her with a set of marble book ends and a nature bird wall plaque to add to her collection.

Several residents wished to express their thanks and good wishes with individual gifts, among which she received, a sterling charm of a home, a set of wall pictures and bone china cup and saucer.

Mrs. Bryson played the piano and everyone sang "For She's A Jolly Good Fellow".

A delicious lunch followed including a large cake decorated with "Good Luck, Wendy".

Sincere wishes from all of us here at Birchwood go out to Wendy and Shawn.

DRIVERS TO STOP FOR SCHOOL BUSES

With school opening, and 600,000 Ontario school children getting ready to ride school buses, drivers should remember they must stop for school buses, says Minister of Transportation and Communications James Snow.

This year it is also mandatory to stop for school crossing guards guiding school children across the road. Previously, it was a matter of safety and courtesy, with no penalty.

The school bus stopping law, under Section 120 of The Highway Traffic Act, requires traffic travelling in both directions to halt when a stopped school bus flashes its alternating red signal lights, regardless of the posted speed limit.

Traffic may not proceed until the school bus resumes motion or its red lights - at the front and rear of the bus - stop flashing.

Failure to stop for a school bus with its alternating red signal lights flashing carries a penalty of four demerit points and a Maximum fine of \$100.00
