POLICE DEPARTMENT REPORT

The Terrace Bay Police had a relatively busy week having to deal with forty-one occurrences.

It was reported late on the evening of Sept. 21 that four men had attempted to enter a local residents home. The noise created by these men resulted in a neighbour coming to the assistance of the local resident. The four men were advised of their mistake in address, and left shortly there after.

Later the same evening the police were called to the Red Dog Inn where a resident of the Construction camp was removed, then charged with causing a disturbance.

On September 22nd, a family dispute was attended by local Police. The problem was resolved to the mutual satisfaction of all parties.

During the day of Sept. 23rd, it was reported by local boat owners that persons unknown had shot holes in their boats while moored at the foot of the beach road. Investigation into this offence are continuing with the laying of charges anticipated shortly.

Police were called to a fight at the Red Dog Inn later the same night.
