NORTHERN HOSPITAL BUDGETS: Cont'd from pg. 1

The following is information on the budget of The McCausland Hospital, Terrace Bay:
 1975 Hospital Budget - \$411,188 1976 Final Approved Hospital Budget - \$522,818 Dollar Increase over 1975 Budget - \$111,630

A GREAT WAY TO SAVE: Cont'd from pg. 1 ...

Such action, however, will not affect the Nov. 15 cutoff date for purchase applications under the payroll savings plan. The cash sales campaign will be launched Oct. 12.

The new bonds are available in two forms - coupon bonds registered as to principal are available in denominations of \$50, \$100, \$1,000, and \$5,000 and fully-registered bonds in denominations of \$500, \$1,000 and \$5,000.

The purchase limit for this series has been reduced from \$25,000 to \$15,000. The change is consistent with the government's policy of better balancing its overall debt structure and is designed to help return to the original philosophy that savings bonds should be available primarily to the small Canadian investor.

As in 1975, investors will be permitted to register Canada Savings Bonds in the name of a trust governed by a Registered Retirement Savings Plan, Registered Home Ownership Savings Plan, registered pension plan, deferred profit-sharing plan or employee profit-sharing plan.

Interest payments on all Canada Savings Bonds will be eligible for inclusion under the \$1,000 interest income deduction of the Income Tax Act. Carrying charges paid on the purchase of Canada Savings Bonds through the Payroll Savings Plan or the Monthly Savings Plan may also be deducted for tax purposes.

In announcing the terms of this year's issue, the Minister of Finance reminded investors that their holdings of Canada Savings Bonds dated between Nov. 1, 1962 and Nov. 1, 1973 inclusive would continue to be eligible for cash bonus payments announced last year. These bonuses are payable only if the bonds are not redeemed before the effective cash bonus payment dates.
