## KINSMEN PAINT SCOUT HUT

People passing through Terrace Bay this past week-end would have noticed the finishing touches being made to the Boy Scout Hut. As one of the projects scheduled for the year, the Kinsmen Club of Terrace Bay turned out in force to give the Boy Scout Hut a fresh appearance. The Kinsmen, who also sponsor the cubs and scouts in Terrace Bay, scraped, primed, and painted the hut in the traditional scouting yellow and green.

The Kinsmen would like to thank Bougie Electric and Heating for donating five gallons of paint and to Cebrario's Hardware for assistance in the purchasing of other painting supplies.

As the scouting year begins, there is a need for Cub leaders. Interested? Call Bob Hopper at 825-3712.
