SCHOOL NEWS

AERIAL FIELD TRIP REPORT:

On Monday, September 27, 1976, Mr. Klassen's grade 13 Canadian Geography class of Lake Superior High School traveled to Wieben's Resort near Pays Plat for an Aerial field trip, on the small engine aircraft located there. For some students this was the first time they had ever experienced any type of aerial flight, for all the students the trip turned out to be exciting and very interesting.

The purpose of the trip was for the students to discover what the landscape around Schreiber and Terrace Bay was like, geographically. From the aircraft the students were able to see the many interesting features that they had been taught in school. One of the main features that was common among all students observations Continued page 5
