ART CLUB MEETING

The Schreiber Art Club held its regular meeting on October 17 in the Public School with Mrs. Simone Boureois presiding. Membership was reported now at forty two.

The children's class, restricted to Schreiber children only, has had to be divided into two groups because of the number and interest shown.

The secretary was asked to write Confederation College for a clarification of courses and other matters, and express the hope that the local club may get a Spring Art course through the College.

Cards were sent to members ill at home or in hospital.

The Schreiber Art Club thoroughly enjoyed an outdoor painting session over the weekend, arranged by the Nipigon Club at Gurney by-the-Sea, and it is hoped this can become a yearly event. Adding much to the event was the presence of Miss Phillips, a painter from Toronto who has been engaged in doing a mural in a Nipigon School. She has met with the Nipigon Club and was most interested in the work being done by both clubs.
