Bill Hanley read a copy of a news release from J.E. Stokes lamenting the fact that the DREE grant for the Kimberly-Clark Pulp Mill Expansion completely ignored Terrace Bay/Schreiber while providing grants to Longlac, Geraldton and Nakina. Mr. Stokes felt that this was unfair particularly in the case of Schreiber.

Council felt that they should reply to Mr. Stokes letter but since they have never been officially informed of any decision regarding grants for Terrace Bay/Schreiber, it places them in a difficult position. Peggy Helmink was of the opinion that the towns in question should have been notified before any News Bulletins were released.

The Terrace Bay Ranger Company was granted permission to hold a Candy Blitz on Wednesday, December 8th.

Two letters from Constable J. Mason were read to Council. The first concerned a request for vacation extension into 1977. Since Constable Mason could not take his slated vacation in October 1976 due to the Staff shortage he was given permission to take one week in 1977 because of the special circumstances.

His second letter reported a parking problem on the corner of Selkirk and Pine.
