LOCAL ROADS BOARD MEETING

The Annual Local Roads Board meeting was held in the Recreation Hall in Rosspoint on Wednesday evening. The meeting was chaired by Ray Kenney. The secretary-treasurer read the minutes and financial statement. It was reported that Church Street could not be hard surfaced till next spring because of cold weather setting in so early. A ratepayer questioned the neglect of Superior Street in regards to grading and ditching and the removal of a high bank which caused difficulties in snowploughing. The Board promised to look into this problem. Superior street extends along the CPR property from the school to past the station site on the east. Location of both Federal and Provincial water lots were discussed and explained to ratepayers present. If sufficient funds are available after hard surfacing the Church Street, both Boone and the extension of Main Street to Sheehan's Bay might receive the same surfacing in the spring.

Charles Henderson took the chair for the nomination and elections of three board members with Mrs. Todesco acting secretary. The results were Romeo Bouchard, Herb Legault and Ray Kenney being elected for 1976-77.
