## IN MEMORIAM: MITCHELL

In loving memory of our mother and grandmother who passed away November 22, 1971.

Memory is a lonely lane  
Where hearts are ever true,  
A lane we often travel down  
Because it leads to you,  
The rolling stream of life rolls on,  
And still a vacant chair  
Recalls the love, the voice, the smile,  
Of one who once sat there.

Charlie, Dorothy, Keith and Marvin Koski.

## HOSPITAL HIGHLIGHTS:

The McCausland Hospital Board of Directors held their regular monthly meeting on Tuesday, October 19th. Ten members were present.

The minutes of the September Board meeting were adopted as circulated.

Committee chairmen gave their reports and discussions followed.

The report from the Development Committee stated that the "Ministry" advised there had to be cut-backs of space in certain areas of the new hospital. The Development Committee has accepted some of the cut-backs but are in the process of forming a rebuttal to the "Ministry" on reducing space in areas where we feel it must be adequate for our needs.
