

CANDIDATES FOR REEVE: Cont'd from pg. 1 ..

When asked what changes he found memorable during his sojourn in Terrace Bay he cited the development of Terrace Heights, a Kimberly-Clark project in co-operation with the Town Council. In just over a year the Trailer Sub-division has grown from twenty-four to eighty-five trailers.

During the next few years in Terrace Bay Cy would like to see the building of a new hospital, the enlargement of the Commercial District and perhaps an extension of the business area east of Highway 17.

While Cy has worked on the Recreation Committee the Town Council has updated the Ice Plant, installed new speakers and a new turntable. The major expense of this work was paid for with Wintario Grants. Of a total \$17,000 bill the Town Council only paid \$3200. as its share.

Councillor Brassard has also seen the upgrading of the Police Department from two members to the present number of three Constables and the Police Chief.

Another of Councillor Brassard's aims is the enlargement of the Police Department area itself.
