ESTON - ELROSE BAND PERFORMS AT LAKE SUPERIOR HIGH:

En route to the Grey Cup, the Eston Elrose Band gave a concert at Lake Superior High School. Students from both campuses assembled at the Terrace Bay Campus for the performance.

The Eston-Elrose Honor Band has the distinction of being the first rural band to represent Saskatchewan at the Grey Cup. Formed four years ago, the band has 18 students from the Elrose school, 47 students from the Eston school, and 11 students from the Kyle school. The members range in age from 12 to 17 years.

Members of the Honor Band were chosen from 350 students participating in the band program offered through the School Unit. Under this program, all Grade 5 students receive one year of band instruction. Students in Grades 6 to 12 may choose to continue in the band program. Band rehearsals are integrated into the school curriculum; however, students make their own arrangements for sectional practises. Auditions are held each year for membership in the Honor Band and Jazz Ensemble.

During 1976 Eston Elrose Honor Band took top marks in competition at the Kinsmen International Band Festival in Moose Jaw, the Saskatchewan Band Directors' Provincial Competition in Swift Current, and local music festivals in Eston and Kerr-oberst.

Mr. Larry Pearen of Eston has been the Band Director since the Unit Band's inception four years ago, and works closely with Mr. Lyle Dewan in his second year at Elrose, and Mr. Mark Mazur a new-comer to Kyle.

It was inspiring to see such a venture undertaken by two communities with populations of 400 and 1200. The finances for the band are received from their school board, grand monies, donations from the communities and personal contributions by the band members.

The band marched into the gym and performed a Walt Disney salute as the band surrounded the audience. Once on stage, the following selections were played: Fiddler on the Roof, Instant Concert, Classic Miniatures, Variation Overture, Homecoming, My Way, the Rockford Files, The Hustle and Traces.

The concert was enjoyed by both students and staff who will no doubt be watching for the Eston Elrose Band in the Grey Cup Parade.

PROFESSIONAL ACTIVITY DAY:

On Monday, 1976 22 teachers of Lake Superior High School held a Professional Activity Day. The morning session involved the assessment of the mid semester marks of the first year students. These marks were related to the course selections made by the students. It was felt at the end of the session that ninety six percent of the first year students were enrolled in courses of the correct level of difficulty.

In the afternoon all Departments met. The various agendas included topics such as methodology, evaluation, teaching techniques, examinations, marking sessions courses of study, etc. It was an extremely profitable day for all teachers.

PARENT TEACHER INTERVIEWS:

It was gratifying to see the number of interested parents who attended Lake Superior High School for Parent Teacher Interviews on Thursday evening. Parents visited with their sons/daughters teachers to discuss the marks on the mid semester reports.

Appreciation is extended to Mrs. Dora Trach's classes for providing the lunch.
