

Veterans Banquet - continued

There is a need for involvement and communication with community representatives in many common problems. The dwindling numbers in the Legion are being placed by including sons and daughters, but in my opinion said Mr. Allen, they must be given some voice in management in order to learn responsibility, and become good citizens. All of us should pay attention to Government and be on the alert to proposed changes and their effect on our lives.

Mrs. Davis, acting for the president of the Women's Auxiliary, presented a cheque from them, for three thousand dollars, to Legion President, Gerry Nicol.

She also presented a cheque for one thousand dollars, from the Auxiliary to Paul Mathews for the McCausland Hospital to endow a room in the new hospital.

Mr. Nicol most sincerely thanked the Auxiliary, as did Mr. Mathews. Mr. Nicol gave a brief resume of the past year's activities in the Legion.

Mr. Ross asked for a standing ovation to Harry Smith and Tommy Whitton, both veterans of the First World War.

A hearty round of applause was given the United Church Women who'd provided and served the banquet.

## DO YOU HAVE A PROBLEM?

In an effort to bring government closer to people, constituency offices have been set up by federal and provincial members throughout the province.

Due to the size of Lake Nipigon Riding it would be impractical to have just one location in the Riding.

I have decided to set up a number of telephone answering services strategically located throughout our Riding in an attempt to make it easier for us to communicate more effectively.

Starting December 1, 1976, you need only to contact the person from the list below who lives nearest to you, and that person will record the details of your problem or inquiry and relay them to me or to my assistant, Mrs. Cynthia Vasconcellos in Toronto.

Call the number nearest to you listed below and your problem will be dealt with by my office:
