Charms for her arms. And a sterling silver bracelet to dangle them on. Four styles in bracelets and lots of delightful sterling silver charms. All by Rembrandt. All at 20% off, just in time for Christmas. Start her on a collection or add to one. Choose charming mementoes of the Christmas season. Angels and bells, a tiny Church. Christmas trees, December 25th medallions and more little "treasures" for her to wear and jingle with pleasure.
