CARD OF THANKS - The Terrace Bay Minor Hockey Association would like to thank all the townspeople for the wonderful support shown in our recent fund raising projects. Special thanks to the mothers for their crafts, the ladies who helped with the sale, the boys and parents for selling peanuts and for all the lovely baking that was donated.

May we wish everyone a Very Merry Christmas and a Happy New Year.

The following is a letter to Mr. G.J. Dupas from Jack Stokes, MPP Lake Nipigon.

Dear Mr. Dupas,

We have received information from Bell Canada about their plans for telephone service for North Shore communities, in response to your recent inquiry on behalf of Terrace Bay and our shared concern that all the North Shore residents get improved, modern service. Bell reports as follows:

"... a project is now well under way to improve long distance service from both Terrace Bay and Schreiber. This job is scheduled to complete on 16 April 1977 and on that date the following new service features will be introduced.

1. Terrace Bay and Schreiber long distance service will be transferred from the Marathon Toll Centre to the Thunder Bay Toll Centre.
2. Customers in both communities will be able to direct dial long distance calls.
3. Automatic number identification will be utilized for all customer dialed long distance calls excepting calls dialed by multi-party customer.

ST. JOHN'S ANGLICAN CHURCH SCHREIBER

Friday, December 24th - Christmas Eve Carol Service - 8:00 p.m.

Saturday, December 25th - Christmas Day Holy Communion at 2:00 p.m.

Sunday, December 26th - Holy Communion at 7:00 p.m.

4. For Schreiber customers "Directory Assistance" and "Repair Service" will be accessed by dialing 411 and 611 respectively. Terrace Bay customers will reach Repair Service by dialing 611 but will have to continue to dial "0" for operator to reach Directory Assistance.

"At this time it is planned to increase the number of long distance circuits to each of these communities thus creating a greater degree of accessibility to the long distance network.

"We plan to fully instruct all Terrace Bay and Schreiber customers well ahead of these service changes both by telephone contact and through written material.

Once the heavy long distance traffic from Terrace Bay and Schreiber is transferred from the Marathon operation to Thunder Bay we anticipate significant improvements in our toll service to the other communities remaining dependent upon Marathon. These include Manitouwadge, White River, Caramat, Hillsport and Hornepayne."

Yours sincerely,
Jack Stokes, MPP
Lake Nipigon.
