

A Festive Name

"Merry Christmas" in June? September? It is for a lovely young lady in Sacramento, California, whose name is truly Merry Cheree Christmas!

In answer to endless inquiries and as many jokes, this charming young woman never tires of explaining that her name really is Merry Christmas, and is spelled just that way. She is used to people thinking it's funny and the constant teasing, but enjoys the fun of it as much as others.

Miss Christmas, whose fame has spread all over the world, spends a considerable amount of time answering the many people who write her. She starts writing her Christmas cards in September.

Asked about marriage proposals and changing her name, Miss Christmas responded "Well, I've seriously thought about marriage a couple of times, but I was raised the old-fashioned way and I guess I'm looking for an old-fashioned type of person who thinks like I do. I really like the traditional things — like Christmas."
