WINTER CARNIVAL PUBLIC MEETING:

Due to the poor response which resulted at the January 5th Planning Committee meeting, one last attempt is being made to form a

Planning Committee for the 1977 Winter Carnival. If attendance at this public meeting is insufficient to form a Planning Committee, then plans for a 1977 Carnival will be dropped for this year.

Remember that a winter carnival is enjoyed by many people, particularly the children, and you should think seriously about lending your support in the planning of this community event. Community participation in the planning of this Winter Carnival is extremely important and as a result, you should do your part by attending the meeting and giving your support.
