

HOSPITAL NOTES

For the past two and one half weeks a "landscape model" of the new hospital has been in the window of Filane's Variety Shop - Schreiber (near the Post Office). We hope all Schreiber residents will take this opportunity to see the model.

Within a week a "large thermometer" will be placed in the window of the Schreiber bank, where it can be seen from the street, as well as from the inside of the bank. It shows the "growth" of the Hospital Building Fund.
