**Building A New Home in 1977...  
NORTH AMERICAN LUMBER**

will show you how to save money.

A large percentage of new homes are being built by owners themselves with help of friends and neighbours.

With Chieftain FM parts, most anyone can build a luxury home of their choice, quickly, easily and economically.

Controlled production assures you of finest quality workmanship and at a price you can afford.

Free delivery of your basic home package within 300 miles of Winnipeg, Man. or Weyburn, Sask.
