

WOMEN'S INSTITUTE: Cont'd from pg. 15

Members are to meet at the Town Hall for transportation at 2 p.m. and each is to bring some lunch.

Three notes of appreciation were received and flowers sent to a member sick in Hospital - Mrs. John Morris.

Mrs. Eunice Bolan read a paper on the interests and activities of the Institute last year as her Public Relations report. She also read a short poem "Women's Work is Never Done" and Mrs. Winnie Clemens read an article entitled "New Year's Recipe".

The New Year Baby party was planned for February 8th when the Reeve or representative will present the town's silver cup. Members are asked to bring baby gifts and donations of gifts will be appreciated from local merchants.

A bake sale will be held with a delicatessen counter in February. Members are asked to contribute to this event.

The \$25.00 draw prize was won by Alison Riley, and the lucky chair prize by Mrs. Annie Niemi.

A potluck supper and exchange of gifts followed the meeting.

NOTICE TO ALL SCHREIBER HYDRO CUSTOMERS

The Schreiber Hydro Electric Commission has applied to the Ontario Hydro for a 1977 increase of approximately 24.9 to be effective on all energy used after the March meter reading.

The general customers will see the effect of the increase on their May bill and the residential customers on their June bill.

Considering that you as a customer will be paying this new rate for a period of only eight months, instead of twelve, represents an actual increase of less than 20% - compared to the 30.3% increase we as a utility received for the cost of wholesale power effective January 1, 1977.
