MUSICAL ACTIVITIES AT ST. MARTIN SCHOOL

Pictured above is Mrs. Anne Wilkes, originator, instructor and source or inspiration for the Ukulele Club.

In keeping with our goal to facilitate and encourage the growth of the whole child, St. Martin School has this year expanded its extra-curricular programme to include musical activities.

The Ukulele Club has received enthusiastic response from Junior and Intermediate Division students and their parents. The students have the opportunity to learn about music actively through performance. This involves a knowledge of chords and their use, the mechanics of playing a ukulele, and the ability to sing while accompanying oneself. The results to date have been impressive.

SEARCH AND RESCUE UNIT REPORT

On Sunday, January 23rd, two men were reported overdue on a cross-country snowmobile trip, 15 miles northwest of this northshore community. The report was received late in the day by the Schreiber-Terrace Search and Rescue Unit.

Due to inclement weather and gathering darkness no action was possible until the following day. The next morning an air search was initiated in the Cairngorm Lake area, using a helicopter provided by Kimberly-Clark of Terrace Bay. Const. Garry Lapworth of the O.P.P. plus two members of the Schreiber-Terrace Search and Rescue Unit were on board the aircraft.

The missing men were soon located near their abandoned snow machines on the shore of Cairngorm Lake. They were none the worse for wear after their chilly night in the bush. The men reported that while on their trip they encountered blizzard conditions and both machines ran out of fuel.
