MOOSE BINGO

The bus leaves Schreiber Post Office at 6:45 P.M.

PAPER BOYS:

Paper carriers, for whatever reason, are obviously difficult to secure. In Schreiber, where certain papers are shared, there are two "paper boys" who regularly continue their rounds, regardless of the weather - Bill Gerow and Johnny Spillane, both senior citizens.

No cost is involved, but, instead, a visit when current events are compared with present ones, concerning food cost, government affairs and of course, a report on what each one's family is doing - far, far away from Schreiber.

As far as it is known, Schreiber has, in this system, established a first.

ACCOUNTS SMALL

The Canadian Bankers' Association says 70 per cent of personal savings accounts at the chartered banks contain less than \$1,000, and 40 per cent less than \$100.

Why does Sandra MacDonald bring her savings to us?

"Every payday, I make it a habit to save a little. Just a little. But regularly. It's a nice habit and it's easier to get into when the teller gives me a nice big smile. It's the same kind of smile I'd get if I'd gone out and bought something. Except I feel even better because I haven't spent my money at all. In fact, I've put it in a place where it will earn interest too."

Deposit something - or open a savings account this week - and prove to yourself how good it feels to do something really sensible with your money.
