ONTARIO TRAILS COUNCIL TO HOLD PUBLIC MEETING AT THUNDER BAY MARCH 1, 1977

7:30 P.M. Airline Motor Hotel, Junction Hwys. 17 & 11.

The Council was established by the Minister of Natural Resources to assist the Government in the preparation of a recreational trails programme. This Council is an autonomous group, composed of members of the public who represent hiking, snow-mobiling, bicycling, cross-country skiing, canoeing, motorized trail bike and horseback riding interests. The Council also includes memberships from trail related interests such as private individuals, conservationists and agriculturalists.

The purpose of this public meeting is to receive briefs and to hold informal discussions with all interested individuals and groups. The Trails Council actively seeks the support of the public in the identification of present issues, conflicts, and solutions to the development of a Provincial Trails Programme. The amount of time allocated for each presentation will be governed by the total number of briefs submitted. It is therefore requested that only one brief per organization or person be presented. Further information is available by telephoning the Ministry of Natural Resources' District Offices or the Regional Office in Thunder Bay at 807-475-1281.
