ROSSPORT SOCIAL

Mr. and Mrs. Dave Mushquash visited relatives in Geraldton during the week.

Mr. and Mrs. Wm. Schelling are holidaying with relatives in Florida.

Robert Molinski of Thunder Bay renewed acquaintances here this week.

Ice fishing is a popular sport this month. Some fine specimens of both lake trout and specklers have been caught by local anglers.

SCHREIBER SOCIAL

Mrs. Bill Campbell, who with her husband, now own and operate Mary's Flower Shop, has just returned from Toronto where she attended a three weeks' course at the Pauline Floral School of Design, receiving a certificate for floral arrangements, funeral work, corsage and wedding work, care of flowering and tropical plants, salesmanship and pricing.

Schreiber sun-seekers are widening their holiday area. Now groups are going to Cuba, and taking long cruises in warm waters, with Florida and Hawaii still attracting some faithfuls.

Why does she bring her savings to us?

Every payday, I make it a habit to save a little. Just a little. But regularly. It's a nice habit and it's easier to get into when the teller gives me a nice big smile. It's the same kind of smile I'd get if I'd gone out and bought something. Except I feel even better because I haven't spent my money at all. In fact, I've put it in a place where it will earn interest too.

Deposit something - or open a savings account this week - and prove to yourself how good it feels to do something really sensible with your money.
