

ASSISTANT ADMINISTRATOR AUTHORIZED:

Continued from page 3

This will leave the present Administrator, Mr. M.J. Vibert, with more time for the residents and staff of the two Homes, Pinewood Court and Birchwood Terrace.

The annual meeting will be held at Pinewood Court on March 28th at eight o'clock in the evening. All Sixteen Municipalities have been invited to send a voting delegate. They will hear the Chairman's Report for 1976 and the Municipal appointments that have been made for the five areas as well as the two Provincial appointments to the Board. To-date only Areas 2 and 3 have made their appointments.

The final meeting of the present Board will be held at four o'clock in the afternoon, prior to the annual meeting.

AN OPEN LETTER TO THE RESIDENTS OF SCHREIBER, TERRACE BAY AND ROSSPORT

On March 10th the Schreiber-Terrace Bay Association for the Mentally Retarded will hold their Annual Meeting at 7:30 p.m. in the Library of St. Martin's School, Terrace Bay.

This year the Association is desperate for new faces on the executive, as many of those presently holding office are serving their last term according to our constitution.

Many are not aware of what we accomplish in the communities and they have, thus far, not shown any interest in our Association. We are supportive to the existing families that have asked for our help. Please note that we do not go into a home for counselling or assistance unless requested, so, if you need us please be free to call on us.

We have had public relation programmes for several years and guest speakers or films are usually available upon request. We have presented programmes in the schools and literature is available in our community libraries.

Most important at this time is that we are your voice to the Government. Without us, you will not have a say when funds and services are required. There is a chance that within a few years we will be needing a school in our community and the government ruling is that if there is no Association there can be no school.

We are needed. Please support us.
Remember, March 10th.

Barbara McLaughlin,
Chairman, Publicity.
