Thefts from construction contractors at the mill expansion site has increased at an alarming rate. Tools and equipment valued in excess of \$15,000.00 have been stolen from various contractors in the past four months. Any person having knowledge of any thefts of equipment is requested to contact your local police force. All information will be treated in the strictest confidence.

On March 10th, four large windows, valued at \$260.00 were broken at the Recreation Centre. Police have three suspects in this case and investigation continues. On this same date, a gas operated battery booster valued at \$850.00 was stolen from the back of a pickup truck.

On March 11th, a car was reported stolen from the Legion Hall and has subsequently been recovered by police some fifteen minutes later. There have been no arrests in connection with this matter.

Three charges were laid under the Liquor Licence Act of Ontario on March 11th. One juvenile was admitted to hospital as a result of over consumption of alcohol. The police department is very concerned about the amount of alcohol abuse, mainly with the young people of the community.

Coffee Hints

Never boil coffee, since boiling brings out the tannic acid in the bean and makes for a bitter as well as a cloudy brew. If coffee is ground in the household, it should be done in small quantities in a clean grinder. Store ground coffee in a tightly-closed jar in the refrigerator.
