

GUIDING NEWS: Cont'd from page 7

At the last Ranger meeting held at the home of Leader Cathy Geldreich, an engraved Guiding Spoon was presented to Tracey by Cathy on behalf of the Aguasabon District.

There are eight Rangers and two leaders - Cathy Geldreich and Pat Fenton this season. They are very active and hold regular meetings. The young ladies work at various functions in the Community, the last one being the distribution of the Carnival Buttons.

A recent visitor to the Guides was Mrs. Dora Trach, who spoke on the way to set up and write letters for the "Hostess badge" that the Guides can earn.

Many questions were asked and Dora checked lots of letters that were the final item to be passed for the requirement needed to obtain the badge.

Mrs. Marilyn Saranpaa thanked her for her interesting talk.

CHURCH NEWS:

Sunday, March 20th was a busy day for the Community Church. Following the morning service a "Coffee Time" was held. These friendly times are enjoyed by everyone.

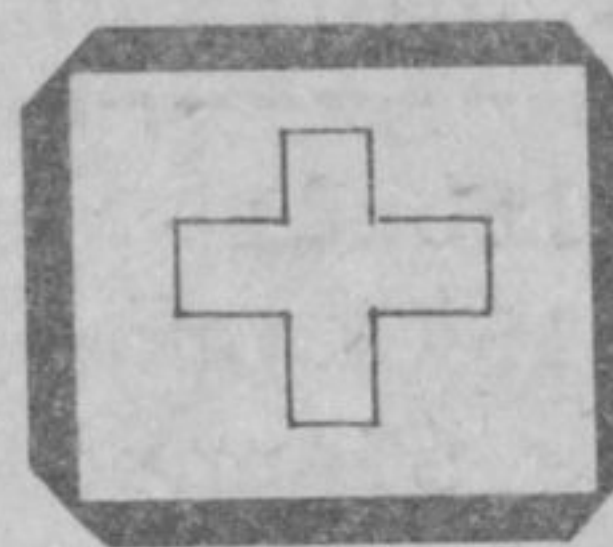

A pot luck supper attracted a small crowd in the evening. Many main dishes and desserts were served. There was no mention of calories during the whole time.

While the men of the church were clearing the Hall, an informal Hymn sing was led by Pam Jones with Aini Anderson at the piano. Everyone was in fine voice, and many requests were made. Everyone participated in all of the ever faithful old Hymns and the modern swinging ones as well. A good feeling of fellowship revolved throughout the congregation.

The Ladies Auxiliary had been lucky in obtaining a much sought after Johnny Cash film "The Gospel Road" for the evening. To round off a successful day the film was shown, with a huge crowd of Terrace Bay residents attending.

At the close of the evening Helen Brooks, Ladies Auxiliary President thanked everyone who participated in the activities of the day, and to those who attended the showing of the film.
