H & R Block has a special reason why you should let them prepare your income tax return.

H & R Block has not increased its fee schedule but has kept it unchanged from last year. And just as always, the simpler the return, the lower the fee. This year, more than ever, H & R Block should do your taxes.

Why does she bring her savings to us?

Every payday, I make it a habit to save a little. Just a little. But regularly. It's a nice habit and it's easier to get into when the teller gives me a nice big smile. It's the same kind of smile I'd get if I'd gone out and bought something. Except I feel even better because I haven't spent my money at all. In fact, I've put it in a place where it will earn interest too.

Deposit something - or open a savings account this week - and prove to yourself how good it feels to do something really sensible with your money.
