# SCHREIBER/TERRACE BAY DIRECT DIALING

Direct Distance Dialing is coming to Schreiber and Terrace Bay April 16th.

After two p.m. that day, telephone users here will be able to dial their own station-to-station calls to anywhere in North America from their own homes - but not from pay phones

"However they'll still have to dial '0' to get the operator's help for such long distance calls as person-to-person, collect, credit card and those to be billed to another number," said Perry Brisbin, Thunder Bay, Bell Canada manager for this area.

People making long distance calls from a pay phone also will have to dial '0' and so will those making calls to telephone numbers not having seven digits.

Suppose a person wanted to dial a number in Winnipeg. They would dial '1', '204' (the area code for all of Manitoba) and then the seven digits of the particular number. (Pg.12)
